We also have French on Fridays, which is actually my least favourite subject, but after that we have ICT which is much more interesting. At the moment I'm creating a webpage for our basketball team. After school I hang out with my friends, and then in the evening I play football at the sports centre. On Friday nights we sometimes go to someone's house for a party or to watch a DVD. We can

Dear Sally,

I'm writing apologise for missing your house-warming party.

I can't tell you how sorry I am. I know how much you were looking forward to showing me around your new home. I feel terrible at having let you down. You must have wondered why I didn't turn up having accepted your invitation.

The truth of the matter is that I put the wrong date in my diary. What an idiot! For some reason, I wrote it in for Saturday night, not Friday. I only realised when I saw photos of everyone having a great time at your place on Facebook. I certainly missed a great party by the look of it.

Anyway, I'd like to make it up to you by treating you to coffee at the new café that's just opened up in town. Let me know what date and time suit you. I promise to get the day right this time. And, I hope you'll let me pop round to see your lovely new home on another occasion.

See you soon,

Jacky
